

GET ON THE BUS! FOR OUR CHILDREN

JOIN WITH OTHER PARENTS, TEACHERS,
ADMINISTRATORS, AND CONCERNED COMMUNITY
LEADERS FROM THROUGHOUT THE COUNTY AND
THE STATE AS WE SPEAK UP FOR OUR CHILDREN!

Despite promises by some legislators to protect public education, education funding is being cut in record amounts. Florida already ranks near the bottom in education funding per capita. The latest round of cuts will have a lasting impact on our children's lives as well as the vitality of our state. Florida's children and citizens deserve better. Join us in Tallahassee as we let legislators know these budget cuts are not acceptable and lawmakers must secure a stable source of revenue for public education if we are to meet the long term needs of Florida and our children. We have arranged charter buses to transport the first of those interested in traveling to Tallahassee as we join with parents, teachers, administrators and concerned community leaders from throughout the state to make our voices heard.
